

Overview

Kanchenjunga Base Camp Trek has been marked as best trekking destination in remote part of Nepal by hundreds of hikers in the world. The trek offers insight experience in depth unique local people's life style, flora and fauna, and mesmerizing panorama by going into the remote mountain ranges of eastern Nepal bordering to India and Tibet. The trek explores the area of Mount Kanchenjunga (8,586m) - the third highest mountain among the fourteen eight thousanders in the world. Visitors can see the variety of scenery from lush, tropical jungle through to rhododendron, chestnut and oak forests and then at higher altitudes into the alpine zone. Trekkers will observe a diversity of Nepalese culture and life-style from Rai and Tibetan Buddhist influenced villages.

The itinerary starts by reaching the north base camp of Kanchenjunga wherever you see views of Tent peak, Nepal peak, Cross peak and then at Pang Pema itself becomes visible in front of us. From Pang pema our trek returns to Lumba Samba and then crosses the Mirgin La or local either Lapsang La pass over to the south side of Kanchenjunga. Once over this pass we visit the yak pastures of Ramche and Oktang where there are impressive views of the south west face of Kanchenjunga, considered as one of the most beautiful mountain massifs in the world.

The journey to the base of world's third peak, Mt. Kanchenjunga offers infinite variety of landscapes, cultures and Himalayan panorama. Walking on rice-terraced fields on the low lands of Nepal passing by beautiful villages, green forests, and the trek goes into a ridge line of rhododendron forests. As the path gains elevation, the striking views of Everest, Lhotse, Makalu and Kanchenjunga, four of the worlds five highest mountains make the trek amazing wonderful. Approaching Yalung ice mass and crossing a series of passes, the views become more glorious. The path reaches Pang pema (4800m.) which is the base camp for Kanchenjunga expedition. Kanchenjunga Base Camp trek is being very well liked among nature enthusiasts since it's connected in nursing extended journey to the foremost remote and exquisite space of chain of mountains in Nepal's eastern region.

The name Kanchenjunga suggests that 5 treasures of the nice snow that is in respect to the 5 summits that frame Kanchenjunga's, this route trekked by fewer and less crowded you will be pleased with a unique insight into Nepalese countryside way of life and its prosperous culture. You will conjointly expertise each climate Kingdom of Nepal has got to provide from muggy jungles to cold glaciers. The foot hill of Kanchenjunga have been opened to the foreign trekkers from 1988, the area is homeland of Limbu people who speak the language related to Tibetan and follow the mixture of Buddhist, Hindu and animist beliefs by religion. This trekking trail is wonderfully free from crowds found around Everest and Annapurna. We, guide in Himalaya operate the finest budget trek to Kanchenjunga with quality service and affordable price and provide local trekking guide and porter for the trip.
