

Overview

Looking for lesser known and rural areas for wilderness trekking in Nepal? Yes Pikey Peak Trek with Numbur Himal Base Camp trek fulfill your dream that offers less popular trek with package of diversity including Sherpa people, village experiences, local tradition, religious moment and mountain environment during the trek. The pikey peak and base camp of Numburchuili Himal in the lower Solukhmubu region covers the area starting at Dhap and ending at Salleri in Solukhumbu district of Nepal. The Pikey Peak is one of the tallest hills of lower Solukhumbu region of 4065 meters which is one of the attractive viewpoints for Numburchuli Himal and other Himalayas of Everest region.

The Pikey Peak is popular viewpoint of sunrise and sunset views in the backdrop of beautiful panoramic Himalayas. The Numburchuli Himalaya of 6959meters is generally known as mini-Everest as it is often mistaken as the Everest when it is viewed from Nagarkot hill of Kathmandu valley. The Numburchuili Himalaya has similarity in shape with Mount Everest. The number base camp refers to the base camp of Numburchuili Himal which is also known as Numbur Cheese Circuit in the list trekking adventures in trekking guidebooks of Nepal. The world famous holy lake known as the Milky Lake and Dudh Kunda in local languages lies in the lap of Numbur base camp dominated by ice glaciers. The antique Buddhist Shrine named as Kau Gumba lies in the upper Likhu Khola Valley dominated by high rock and snow summits.
